

June 1, 2010

Dear Students,

The book, *Tangerine*, by Edward Bloor is part of your summer reading. *Tangerine* talks about some issues that we will discuss in Advisory and Language Arts class during the 2010-2011 school year. Please read it before school starts in the fall, and, as you read, think about ways in which the book relates to you and what you have noticed in school and in life. The book is lots of fun and an enjoyable read.

We will be using the book in the classroom in the fall. You are expected to return the book, so please hang on to your copy. Once we are finished with it, we will collect it. We hope you like it!

Sincerely,

Middle School Advisors  
Winchester Thurston Middle School
