

June 1, 2010

Dear Students,

The book, *The Misfits*, is part of your summer reading. *The Misfits* touches on some issues that we will discuss in Advisory and Language Arts class during the 2010-2011 school year. Please read it before school starts in the fall, and, as you read, think about ways in which the book relates to you and what you have noticed in school and in life. The book is lots of fun and an enjoyable read.

We will use the book in the classroom in the fall. You are expected to have a book, so please hang on to your copy. Once we are finished with it, we will collect it. We hope you like it!

Sincerely,

Middle School Advisors
Winchester Thurston Middle School
